Interface is developing a new project specific facilities masterplan and full design for the 38,000 sf Arts Education Center located on the San Leandro High School campus. The masterplan will include infrastructure and systems requirements for the Arts Education Center (AEC) and the SLAM programs.

Design will involve the following spaces:

- » Theatre and Stage
- » Balcony
- » Band, Music and Recording Rooms
- » Gallery Space
- » Classroom Space
- » Lecture Rooms
- » Computer Rooms
- » Server Room
- » Office Space
- » Restrooms
